**Recommendations**

**Majority of coaches recommend that we go to two races for the Preview. This is due to the fact that it is very early in the season and it is difficult to gage who your top 7 runners are at this point in the season.**

**There were mixed reviews on eliminating the open race for the Championship. Rocky River and Bay seemed to be in favor of eliminating the open race. The majority of the remaining schools were in favor of keeping the open race.**

**Athletic Directors indicated that the official in charge indicated it was not legal to have all runners run in one race and that you must have a varsity race and open race in order for it to be an official meet.**

**A suggestion was made to have the packet pick-up be at least one hour and thirty minutes before the start of the first race.**
